COMES NOW, Al M Williams, pro se, Intervenor Plaintiff, for his motion to urge action on his complaint, states:

That this matter has been transferred from the Dallas District Court to the US District Court at Plano which requires Re-Urgence. Today Plaintiff is re-urging asking for expedited treatment. **A**

That During the transition the plainfff Al M Williams has suffered actual injury that monetary damages alone will not cure **(EXHIBIT 6)**

That is an emergency that has life and/or death consequences. COVID is real. This is a national disaster.

The plaintiffs have properly requested that this Court act upon their pleading and because the defendant Ladera has a "live" writ of possession which they seek to physically remove the plaintiff's family from their own home. See verified pleading of record.

That upon information and belief this is targeted retaliation . (See Exhibits **7**)
